Students and postdocs in the EU working in all branches of peptide and protein chemistry

Would you like to present your PhD or postdoctoral work at the annual PPSG Early Stage Researcher Meeting?

The meeting will be held at the Royal Society of Chemistry, Burlington House, London.

There will be 8-9 oral presentations given by both PhD students and postdoctoral research workers, and a poster session.

Prizes of £150 each for the best poster and the best oral presentation will be awarded.

The registration fee, including lunch, is £10.

A limited number of travel bursaries will be available for students travelling from outside the M25 area.

The day will close with a plenary lecture given by Professor Mark Bradley (University of Edinburgh)

Students and postdocs who would like to present their work at this meeting should send a 1-page abstract as a .pdf to Prof Alethea Tabor (a.b.tabor@ucl.ac.uk) by:

Friday 16th November 2012 (oral presentations)

Friday 23rd November 2012 (poster presentations)

Participants should register by Friday 23rd November at the PPSG website:

<http://www.rsc.org/ppsg>

For further details, please contact:

a.b.tabor@ucl.ac.uk

The meeting is generously supported by:
